# Comfort. Savings. Life. Perfectly in Tune.

The Lyric family of products allows you to offer customers the ability to simplify home comfort, security and awareness by controlling home products with a single app. Individually, each product performs brilliantly. Together, they're a way to orchestrate life. Available on iOS and Android™ devices.

## True Connectivity. True Convenience.

The Lyric connected platform begins with products that deliver comfort, energy savings and peace of mind. But the connectivity doesn't stop there. Compatibility with Apple® HomeKit™ and Samsung® SmartThings™ lets users control a wide range of connected products ranging from lights to garage doors.

Apple HomeKit users can also adjust settings with Siri® voice control, and Apple Watch® users can view and adjust temperature, fan settings and more right from their wrists.

### LYRIC ROUND™ WI-FI THERMOSTAT SECOND GENERATION

- Easy installation and setup right at the thermostat or through the Lyric app.
- Works with Apple HomeKit and Samsung SmartThings to deliver an even greater connected home experience.
- Control from anywhere by smartphone or tablet.
- Location-based temperature control uses your customer's smartphone location to adjust the settings to save energy when they're away and help make them comfortable upon arrival.
- Maintains comfort by considering indoor and outdoor temperature and humidity.
- Sends homeowners maintenance notifications and alerts about extreme conditions to help maintain efficiency and extend the life of HVAC equipment.
- Create custom shortcuts for more predictable life events.
- At-a-glance weather outlook helps homeowners plan their day.

### LYRIC WI-FI WATER LEAK AND FREEZE DETECTOR

- The average water leak causes \$7,000 in damage\*; detects temperatures that could freeze pipes and humidity that could damage valuables; notifies of a water leak while it's measured in drops.
- No wiring — battery operated for easy installation and maintenance.
- Device is reusable even after detecting an incident.

# Lyric™ Wi-Fi Water Leak and Freeze Detector

Offer your customers peace of mind through alerts about water leaks.

Just as the Lyric Thermostat keeps homeowners connected to their heating and cooling system to maximize energy savings and comfort control, the Lyric Wi-Fi Water Leak and Freeze Detector keeps them connected to help protect against major water damage. It can alert them to water leaks before they become costly problems.

**Detection & Protection**  
The average water leak causes \$7000 in damage\*. Alerts from the Lyric app can help reduce the risk. The unit can also detect temperatures that could freeze pipes and humidity that could damage valuables.

\*American Insurance Association

**Easy Setup**  
There's no extra hub or base station required. Simply install in the best location and complete the setup using the Lyric app.

**Battery Operated**  
There's no wiring, so it's easy to install the unit where needed. Battery life is up to 3 years without incident.

**Fewer Callbacks**  
Battery operation makes maintenance easy for the homeowner. Plus, the unit is reusable after a detection.

**Backed By Honeywell**  
The Lyric Wi-Fi Water Leak and Freeze Detector is part of Honeywell's trusted Lyric connected platform. It can be used as a standalone product or to drive sales as part of a complete system, strengthening your reputation as a solution provider.

**Expandable**  
The Lyric Wi-Fi Water Leak and Freeze Detector includes a 4-ft. water sensing cable. Additional cables can be added for expanded coverage, up to 500 ft.

**Bottom Line Growth**  
Water damage can happen to anyone — so the Lyric Wi-Fi Water Leak and Freeze Detector can be recommended to all customers. For you, that means adding it to your lineup will lead to increased upsell opportunities for your business.

#### Minimum System Requirements for Use with Wi-Fi:

- IEEE 802.11 b/g/n/ac capable routers, 2.4 GHz
- Lyric app for Android (4.3+) or iOS (8+)

## PRODUCT FEATURES

Battery	3 AA Alkaline (included)
Battery Life	Up to 3 years w/o incident
Dimensions	3.07" square x 1.26" thick
Weight	0.33 lbs
Additional Cable Sensor Accessory	4-ft
Buzzer Alarm	100 dBA
Ingress Protection Rating	IP44
Temperature Sensing	32°F - 140°F (0°C - 60°C)
Humidity Sensing	0-100% RH (+/- 3% RH)
Temperature & Humidity Sensing	Once per hour
Water Sensing	Once every 60 seconds
Temperature-Alert Detection	Preset at < 45°F and > 100°F or can be changed by user
Humidity-Alert Detection	Preset at <20% RH or >70% RH or can be changed by user
Temperature & Humidity Report	Daily

# Homeowners Want Security

## Provide It Easily With The Lyric™ C2 Wi-Fi Security Camera

Homeowners list intrusion detection as the number one problem they'd like addressed with a connected solution. The Honeywell Lyric C2 Wi-Fi Security Camera is the answer. It's a simple — and profitable — way to set your business apart by offering a home security solution.

## Packed With Features Homeowners Want

Designed for indoor use, the Lyric C2 covers a wide spectrum of security needs to deliver peace of mind. It features an ultra-wide angle, 1080p high-definition view, and four detection zones that can be set for extra sensitivity or to ignore background motion like a ceiling fan.

Intelligent sound detection with advanced audio analytics identifies smoke and carbon monoxide alarms — even a baby crying. For instant monitoring, real-time mobile alerts can be sent to the homeowner as well as family, friends or neighbors.

Video capture is triggered by motion or sound. Video clips are stored on an included SD card. Plus, secure cloud storage of the past 24 hours is free.

## FAST INSTALLATION

Like all products on the Lyric platform, the Lyric C2 is easy to install and use. Options for mounting it on a wall, ceiling, or table top give you plenty of flexibility, and installation takes just minutes using the Honeywell Lyric app.

Best of all, it's intuitive to use. You'll be giving your customers an easy solution they'll value while setting yourself apart from other HVAC contractors by being a total home solution provider.

## FEATURES

- Self-monitor using the Honeywell Lyric app
- Automatic home/away privacy mode through Lyric's geofencing technology
- Two-way talk adds communication when needed
- Audio analytics to identify smoke and CO alarms or a baby crying
- Night vision/low-light control for visibility at all times of the day
- Extra-wide 145-degree viewing angle
- Industry-leading security through end-to-end data encryption
- 5-year warranty (professional channel only)

## Part Of The Lyric Family

The Lyric platform gives you an ever-growing solution for meeting the connected home desires of today's homeowners. With the Lyric Wi-Fi Security Cameras, Lyric Round™ Wi-Fi Thermostat, Lyric T6 Pro Wi-Fi Thermostat, and the Lyric Wi-Fi Water Leak and Freeze Detector, you have a wide range of opportunities to deliver comfort and peace of mind.

# Homeowners Want Security

## Meet Their Needs With The Lyric™ C1 Wi-Fi Security Camera

Intrusion detection is listed as the number one problem that homeowners would like addressed with a connected solution. Now you've got the answer with the Honeywell Lyric C1 Wi-Fi Security Camera. It's a simple — and profitable — way to set your business apart by offering a home security solution.

## Packed With Features Homeowners Want

Designed for indoor use, the Lyric C1 delivers an ultra-wide angle, high-definition view, and two detection zones can be set for extra sensitivity or to ignore background motion like a ceiling fan. Intelligent sound detection supports the video by adding audio analytics that identify smoke and carbon monoxide alarms. Real-time mobile alerts can be sent to the homeowner as well as family, friends or neighbors.

Video capture is triggered by motion or sound, with video clips stored on an included SD card and in the cloud. Plus, secure cloud storage of the past 24 hours is free.

## FAST INSTALLATION

Like all products on the Lyric platform, the Lyric C1 is easy to install and use. It can be mounted on a wall or table top, and installation takes just minutes using the Honeywell Lyric app.

Best of all, it's intuitive to use, so you'll be giving your customers an easy solution that they'll value. Set yourself apart from other HVAC contractors by being a total home solution provider.
